- a. Excavation work was taking place at this airfield and supplies of concrete tile were being accumulated. This led to local rumors that barracks were to be constructed.
- b. The workers were accommodated in a local inn. One workman, who applied for work on the airfield, was told that he would be acceptable but that he could not be employed until after accommodations for the construction staff had been built.
- c. The work was being carried out by the VEB Bau-Union Sued Dresden A, Zwickauerstr. 27. ²

Comments: 1. Fuel shipments from Frankfurt/Oder to Briesen-Brand airfield
